HEALTH INSURANCE PENALTIES & FINES

The company offers all full-time employees working **30** hours per week or more group health insurance coverage. According to the Affordable Care Act, our health insurance **does** meet minimum value coverage and **is** considered affordable.

If you waived coverage as a new hire or during Open Enrollment:

- **You cannot enroll in the company's plan until next year's Open Enrollment** unless you have a qualifying event such as a birth, adoption, marriage, divorce, death or lose coverage under another group plan.
- **Subsidies on the Individual Marketplace Exchange.**
 - **Employees** may not be eligible for a subsidy if the employer coverage meets minimum value and is considered affordable under the ACA. You may also be required to pay back your subsidy when you file your taxes if you are later determined to be ineligible for a subsidy.
 - **Spouse and/or dependents** may be eligible for a subsidy for an Individual Marketplace plan on the exchange during a special enrollment period or Open Enrollment.
 -

CONSENT TO RECEIVE ELECTRONIC NOTICES

By providing a personal email address, upon hire or at open enrollment, I understand and consent that:

1. The following documents and/or notices may be provided to me electronically:
Summary Plan Descriptions; Summaries of Material Modifications; Summary Annual Reports; COBRA Notices; Summary of Benefits and Coverage; Notice of Health Insurance Marketplace Coverage Options; and Other ERISA required or Model Benefit Notices.

- 5.

ACKNOWLEDGEMENT OF PARTICIPATION IN SECTION 125 CAFETERIA PLAN

I understand that I am automatically enrolled as a participant in our company's Section 125 Cafeteria Plan which allows certain employee benefits to be deducted on a pre-tax basis. As a participant, I am only allowed to make changes to my benefit elections annually at Open Enrollment or within 30 days of a qualifying event as outlined by the Internal Revenue Service or plan documents.

By enrolling using our online benefits system or by completing an enrollment form electing coverage, I acknowledge participation in the Section 125 Cafeteria Plan.

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

In the case of losing Medicaid or CHIP coverage or being determined to be eligible for premium assistance, you have 60 days to request enrollment.

To request special enrollment or obtain more information, contact your plan administrator.

NOTICE OF PATIENT PROTECTIONS

Your medical plan may require the designation of a primary care provider (PCP). You have the right to designate any PCP who participates in our network and who is available to accept you or your family members. Until you make this designation, the medical plan may designate one for you. For information on how to select a PCP, and for a list of the participating providers, contact your carrier.

If you must select a PCP for your child(ren), you may designate a pediatrician as such.

You do not need prior authorization from your carrier or from any other person (including a PCP) to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in OB/GYN, contact your carrier.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and insurance carriers may not, under Federal law, require that a provider obtain authorization from the plan or the carrier for prescribing a length of stay not in excess of 48 hours (or 96 hours).

WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility.

Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice to demonstrate whether you have maintained creditable coverage and, whether you are required to pay a higher premium (a penalty) as a consequence thereof.

Important Notice About Your Prescription Drug Coverage and Medicare

This notice has information about your current prescription drug coverage and about your options under Medicare's prescription drug coverage. **This information can help you decide whether you want to join a Medicare drug plan.** If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Your employer has determined that the prescription drug coverage offered by **Anthem Medical Plans** is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your employer current coverage will not be affected.

See pages 7-9 of the *CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance*, available at www.cms.hhs.gov/CreditableCoverage which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact your employer for further information.

NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage changes. You also may request a copy of this notice at any time.
